PT Hasnur Riung Sinergi

Jakarta City, South Jakarta, Indonesia

Dear HR Team,

I am writing to formally apply for the Contract Specialist position, as advertised on LinkedIn. With my background in procurement, logistics and on-site project administration, I am confident that I can contribute effectively to your organization.

I have professional experience as a Procurement Officer and through a Logistic Internship Program, where I develop a solid understanding of supply chain management, supplier coordination and material control. Currently, I am working on-site at the Kansanshi Mining Site in Zambia, which has strengthened my hands-on experience in data entry and management, site working hours regulation, and problem-solving within a mining environment. I am detail-oriented and well organized, adaptable, and committed to maintaining integrity and high standards of work quality and safety compliance.

I am particularly interested in joining Your team as I am eager to contribute my skills and experience to support your organizational objectives. I believe my background aligns well with the requirements of this role.

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications further and am available for an interview at your convenience.

Yours sincerely,

Luiz
